Morgan Counts  
*Executive Director*

Dear River Friends,

As Dog River Clearwater Revival concludes its 29th year as the only nonprofit organization dedicated solely to improving the water quality of and access to Mobile's Dog River and its many urban tributaries, we are seeking sponsors for our annual fall fundraiser, the Dog River Fishing Tournament.

Now celebrating its 13th year, the event is scheduled for **Saturday, October 7th** and promises to once again be a family fun event for recreational and professional fishermen alike, with **cash prizes and giveaways**.

Last year nearly 100 anglers participated and walked off with over **\$1,900** in cash prizes. This year we have added to the pot!

We hope that you will agree to be part of this worthwhile event this year. All proceeds generated by your support will help DRCR in our programs aimed at fulfilling our mission. Enclosed is a schedule of benefits that you will receive according to your level of sponsorship and some more information on Dog River Clearwater Revival and our many projects.

A member of our Fishing Tournament Committee will be in contact with you soon! For more information, please free to email [info@dogriver.org](mailto:info@dogriver.org) or call our office at 251.802.0869. Thank you in advance for your consideration and support of DRCR through the 2023 Dog River Fishing Tournament.

Sincerely Yours,

Dog River Fishing Tournament Committee

*DRCR is a 501(c)(3) organization*
